OTHER

- For her research on inequality and social violence, and her active participation in the media about this issue, she was convoked by the Minister of Security Julio Alak to provide ideas in addressing this topic. Her collaboration was outside the framework of political parties and, as manifested by Alak, probably influenced President Cristina Fernández de Kirchner to issue a decree of the "Asignación Universal por hijo" (Universal Child Allowance), that let millions of children to leave extreme poverty. (See the book *Cristina Fernandez. The real story*, chapter "The intellectual influence," Laura Di Marco, Sudamericana, 2014, 233-236).
